Reading Tips

Top tips to help families discover the magic of reading

Books are magical. They can take you on exciting adventures, teach you new things and transport you to other lands filled with colourful characters who are faster than the speed of sound. When families read stories together, the possibilities are endless.

Here are some top tips from the National Literacy Trust to help families bring stories to life at home:

- ☐ Children love to make up their own stories so pause at an exciting part, for example when we are introduced to Dr. Eggman, and ask them to imagine what Sonic should do next.
- ☐ Make story time fun by using different voices for characters and acting out your favourite parts.
- ☐ Pick books about things your child is interested in. Whether they love dinosaurs, ballet or football, there's a story for every child to enjoy.
- ☐ Stories come in all shapes and sizes, from books and comics to magazines and newspapers. All reading counts so get exploring.
- ☐ Why not give audiobooks and storytelling videos a try? They can be really fun and are also great for children who aren't keen on reading.
- ☐ Make time to share stories as a family as often as you can. You could try reading a bedtime story together or listening to an audiobook on a car journey.

The National Literacy Trust is proud to partner with McDonald's to help families discover the magic of reading together.

MEET SONIC!

A Sonic the Hedgehog Storybook

This book belongs to:

.....

Hey! It's me, Sonic.
As you can probably
tell from looking at me,
I'm a hedgehog.

But I'm no *ordinary* hedgehog.
I like fast things and
exciting adventures.

I'm always ready to save the day!

Leave it to me!

**But that's not the only thing
that makes me extraordinary.
I'm also...**

**Faster than the speed of sound!
Some people even call me
the Blue Blur.**

**I'm the fastest living thing
in the universe. Seriously.
I am.**

Got to go fast!

Being fast isn't the only thing
that matters to me, though
it is pretty important.

I also have great friends that I can
always count on.

**This is Tails.
He's my best friend.
And also, he just so
happens to be a fox.**

**He has two tails that he
uses as propellers!**

Time to fly!

Tails and I do just about everything together. Whenever there's trouble, he helps me save the day.

We are always looking for new adventures and we always help each other out. That's what friends are for!

And this is Knuckles.
As you might have
guessed from his name,
he's got huge spiky
knuckles. He's a pretty
tough guy and one of
my closest friends.

He has lots of cool skills and is very
powerful, which is almost as cool as
being super fast.

I'm
super strong!

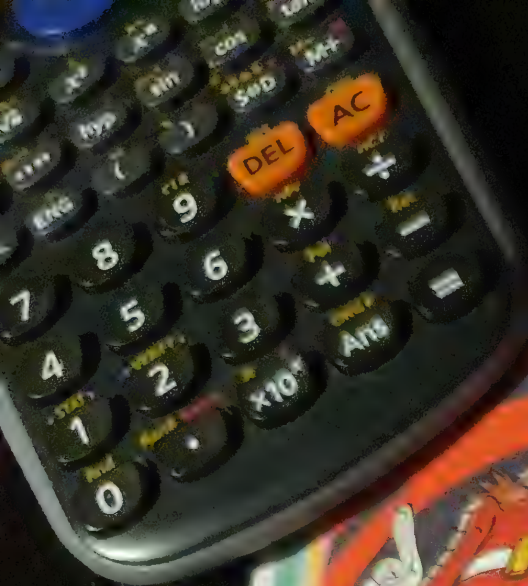

And last but not least,
this friendly pink
hedgehog is another one
of my closest friends.
Her name is Amy.

She's super confident. When there's
trouble, she's tough and ready to go!

Have
no fear!

This is Dr. Eggman,
my biggest rival.

He's a super intelligent baddie!

The world
is mine!

Dr. Eggman is always looking
for trouble and wants to take
over the world.

He uses his immense brainpower
and scientific know-how, to build
robots to help him.

Think you can
beat me?

But no matter how many times he tries
to take over the world, my friends
and I always work together
to send him running!

Uhhh
that hedgehog!

**So just remember: if you stick together
and try your best, you and your friends
can achieve anything!**

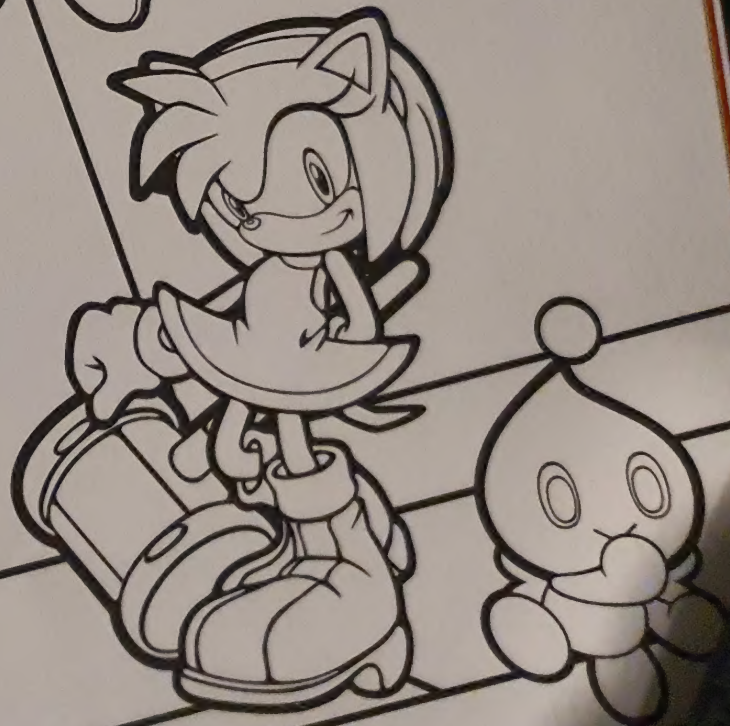

Green Hill Maze

**Sonic and his friends can't figure out which way is up
and which way is down. Help them find their way
through the maze to catch Dr. Eggman before he escapes.**
